

Moatfield Newsletter

February 2026

Here is the latest edition of Moatfield news, we hope you find the following information useful.

Throughout February, your child will be exploring and looking into Marvellous Inventions where we will be focusing on techno toys. Moatfield children will be junk modelling and looking into how these different toys work

Focus Rhyme:

26th Jan – 6th Feb: I Went to the Animal Fair..

9th – 20th Feb: Pop Goes the Weasel...

23rd Feb – 6th March: The Wise Man Built His House...

As the weather is still wintery we would like to remind you that your child will need to bring in appropriate clothing to experience the outdoor activities.

Polite reminders.....

Please encourage your child to be independent by trying to put their own socks/shoes and coats on.

Please remember to label all children's belongings. Finally can we remind parents to please check the nappy list regularly, which is situated on our door to see if your child needs nappies, wipes or nappy cream.

Thank you for your continued support.
